

RIVER BEND YEAR ROUND ELEMENTARY
Free Equipment for Our School

Dear Parents:

Our school is participating in the KROGER PLUS CARD FOR EDUCATION PROGRAM. This program provides much needed equipment for our school.

If you have not yet registered your card for our school, please take one of the bar codes below to a local KROGER store and have the cashier scan it along with your Kroger Plus Card. Once your card is registered, every time you shop and scan your Plus Card now through 4/21/2009 you will automatically earn credit* towards free educational equipment for our school.

Thank You for your support!

Your KROGER PLUS CARD FOR EDUCATION School Coordinator.

*Credit earned excludes purchases of gift certificates, stamps, money orders, pharmacy prescriptions, tobacco and alcohol.

Take one Kroger bar code along with your Rewards card and have it scanned. Pass the other to family and friends
